### Banquet Facilities

*(No Room Charge - No Minimum)*

**Thank you for inquiring about our banquet facilities. We want to maximize your dining experience.**

**There is no charge for our rooms. Our maximum capacity is 110. However, the large room will possibly be partitioned on parties under 60. Capacity for the small room equipped with TV-VCR is 40.**

**Enclosed please find a copy of our menu and prices (subject to change). The best way for us to serve you is to have you choose three menu items that you feel will accommodate your guests and budget. The price will be the current menu price plus \$1.95 for a beverage. The 17% gratuity and 3% for linen tablecloths and napkins - will also be added to the total bill.**

**We require a \$100 deposit to hold the reservation, which will be completely refunded the night of the party.**

**We also require a "no-show" guarantee. Please supply us with the final number of people attending one week before your reservation. You are required to have 90% of that number attend, or a \$10 charge per person will be added.**

**Thank you for considering us. Please call with any questions.**
